GUEST MOORINGS

OBYC does not rent moorings, however guest moorings are available on a first-come, first serve basis for use by visiting yachts. A donation of \$20 per night is expected and allows for use of the facilities during your visit. It may be given to the dock attendant or deposited in the mailbox at the top of the ramp. Thank you!

Water is available at the float, however due to well limits, please conserve water. **Trash disposal** is in the dumpster located to the right of the front porch. **Heads** are available for use in the Club House. Please tie up dinghies on the inside of the south float.

Gas and Diesel may be obtained at nearby at the Cook's Lobsterhouse dock and Dolphin Marina in Potts Harbor. **Local restaurants** are Salt Cod Café (located in the red building just before the Cribstone Bridge) and Cook's Lobsterhouse Restaurant (go across Cribstone Bridge, up the hill a bit and turn right onto Garrison Cove Road).

If for some emergency reason you or your boat needs to stay beyond the two-day limit, please call Doug Nelson (207-443-9394).

Conditions of Use: Use of OBYC facilities and moorings is at the sole risk of persons using the same. OBYC makes no representation as to the safety or adequacy of its facilities for the intended use of visitors nor does it assume the care, custody or control of vessels while on moorings or at its dock.
